Our practical kitchen accessories are now available in one complete set. The kitchen accessories set offers the entire spectrum of handy ORGA-LINE kitchen tools with minimal ordering effort: Plastic film and aluminium foil are easy to cut and keep with ORGA-LINE film/foil dispensers. The spices, plates and knives are safely and neatly stored using their respective ORGA-LINE holders.

Interior organisation is beneficial – both for you and your customers

Kitchen users want a kitchen that looks good. To maintain the orderliness of the items stored in the kitchen drawers, organisation solutions must be carefully planned. Any kitchen user will be impressed by how organised and accessible everything is with Blum's ORGA-LINE system. Our ORGA-LINE kitchen accessories help to simplify the daily kitchen tasks.
