

The Blum logo, consisting of a stylized white arrow pointing upwards and to the right, followed by the word "blum" in a lowercase, bold, sans-serif font. The logo is set against an orange rectangular background.

SPACE STEP

Transform previously unused toe kick space with SPACE STEP. This innovative solution not only enhances storage possibilities, but also serves as a discreet step. Whether gaining access to high cabinets or using as a convenient seat to put on shoes, the potential is limitless.

- Enables access to storage in wall cabinets
- Creates additional storage space in the drawer underneath the step
- Can be combined with all Blum box and runner systems
- Can be combined with all motion technologies
- Features anti-slip system
- Supports a maximum load of 330 pounds
- Flexible to be utilized in different applications throughout the home

Versatility in Application

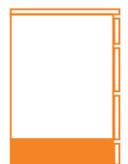

Made to fit a variety of applications, SPACE STEP can be used in three different toe kick designs.

Recessed toe kick

Recessed low toe kick

Flush toe kick
